Mr. Reginald W. Griffith
Executive Director
National Capital Planning Commission
1325 G Street, N.W.
Washington, D.C. 20576

Dear Mr. Griffith:

The Central Intelligence Agency has reviewed the National Capital Planning Commission's draft element of "Federal Goals for the National Capital" and does not recommend any modifications to it. The goals do reflect the specific nature of the National Capital and the broad range of Federal interests in this area, and do not have a negative impact on this Agency. We appreciate the opportunity to review this draft report.

Sincerely,

Harry E. Fitzwater
